

Dear Friend

Over the past two years Center 360 has partnered with Reid Park Academy, Reid Park Neighborhood Association, and the West Boulevard Coalition to provide career development and enrichment programs to the youth of West Charlotte. The goals of our programs are to strengthen and enhance academic performance, leadership, social responsibility, community engagement of our scholars, as well as train and guide our students into careers that will lead to life sustaining employment.

We are committed to teaching our youth leadership skills such as responsibility, being a positive role model, respecting each other, and taking pride in their community and their actions. Additionally, hands-on experience supplemented by a small financial stipend teaches our youth life skills and employment skills that will produce a generation of law-abiding citizens who are contributors to society.

This has been made possible through the generous funding we have received from community members and business partners in Charlotte like you. In order for us to continue to provide additional incentives for the youth and ensure that our programs are sustainable, we are now soliciting donations. Your help is essential to ensure that the programs are available to all youth regardless of socioeconomic backgrounds.

Please consider supporting our programs by making a cash or in-kind donation to Center 360, Inc. During each daily program sessions we provide meals for 30 youth and 5 program coaches, so this is an additional opportunity to provide an in-kind donation in the form of food.

Your generous contribution to our organization is tax deductible. For your records, our tax ID is 47-4832156. In addition, all contributors will be acknowledged for their support via our monthly newsletter.

Thank you in advance. Please contact Keisha Hamilton, Board Vice Chair at 704-765-0455 if you have any questions. We appreciate any support you can offer and we look forward to working with you.

Thank you,

Keisha Hamilton
