

CENTER 360 VOLUNTEER INTEREST FORM

Thank you for considering a volunteer position with Center 360.

We are a non-profit organization that was established to provide a place where youth can learn self-awareness, resilience, develop academic persistence, and be educated and trained on career opportunities that will lead to life-sustaining employment.

We are very excited that you are interested in getting involved. There are just two (2) steps to becoming a Center 360 volunteer:

- **Step One:** The successful completion of this interest form.
- **Step Two:** A volunteer orientation and training. This training will prepare you with the tools needed to best reach the young people you will come in contact with. Training dates will be provided to you.
